INDEPENDENT STATUTORY AUDITOR'S REPORT

To the Members of Asterion Industrial Components Private Limited
Report on the Audit of the Financial Statements

DRAFT AUDIT OPINION / PENDING INDEPENDENT CA SIGN-OFF:
This document is an automated draft audit file compiled by Captrix Engine for substantive review and examination by the Engagement Partner for **Asterion Industrial Components Private Limited** for the financial period ended March 31, 2026. In strict compliance with Standards on Auditing (SA 700 / SA 705) and ICAI statutory directives, **no statutory audit opinion ('True and Fair View') is expressed herein** prior to completion of mandatory partner review, physical verification of assets, and generation of a verified ICAI UDIN on udin.icai.org.

Basis for Draft Workpaper Compilation: Substantive audit procedures, cross-document reconciliation, and Schedule III mathematical checks have been executed against available digital books of account. Physical asset verification, external debtor/creditor balance confirmations, and portal reconciliations remain subject to independent verification by the Statutory Auditor.

Draft compliance review — not an auditor's representation: This automated workpaper does not state that the auditor has obtained all information, that statutory books or accounting standards have been independently verified, or that CARO requirements have been satisfied. Refer to the clause-level evidence matrix for items marked REVIEW REQUIRED or EVIDENCE MISSING. A qualified practicing CA must perform and document the applicable procedures before any statutory report is issued.
